General Notes: HUNT - FORD - At Mendon, Aug 29, 1931, Robert Ellsworth HUNT and Miss Hilda Pauline FORD. (Victor Herald, Fri, Sept 4, 1931) (longer article)

THE VICTOR HERALD Friday September 4, 1931 Front Page, col 3

WEDDING BELLS - HUNT - FORD

A pretty wedding was solemnized, Saturday evening at 4 o'clock, at the home of Mr. and Mrs. William Ford of Mendon, when their daughter, Hilda Pauline, was united in marriage to Robert Ellsworth Hunt, son of Mr. and Mrs. Homer Hunt. The ceremony was performed by Rev. Walter Labrenz of Cohocton, former pastor of the Mendon Lutheran church, before an alcove filled with hydrangeas, golden glow and ferns.

The bride wore a white satin dress made princess style, trimmed with lace, and a tulle veil with orange blossoms. She carried a bouquet of bride roses and gypsophilia. Her maid of honor was Miss Marjorie Hunt, sister of the groom, who wore green taffeta with slippers to match and carried yellow roses and gypsophilia. Wesley Ford, brother of the bride, was best man.

A bountiful wedding supper was served to about 30 guests by the Misses Veda and Ada Plaine, and Irma Shutte, a schoolmate.

The prenuptial events were a quilting party by Mrs. Norman Parrish of Ionia, a variety shower by the Young People's Society of the Mendon Lutheran church, a personal shower and luncheon by Mrs. Homer Hunt, a wiener roast and variety shower by Mrs. Norman Ford, and Mrs. George Reeves of Mendon, and a wiener roast and shower by Marjorie and Dorothy Hunt.

After a short motor trip, Mr. and Mrs. Hunt will be at home with the groom's parents until their new home, recently purchased in Fishers, is ready for occupancy.

ROCHESTER DEMOCRAT and CHRONICLE Jan 25, 1906 Pg 3, col 3 by: Ron Hanley <mailto:ghanley1@rochester.rr.com>

Victor, Jan. 24 - A quiet wedding was solemnized at the home of the officiating minister in this village this evening, it being the occasion of the marriage of Miss Goldie Cuykendall, daughter of Mr. and Mrs. Henry Cuykendall of this town, to Homer H. Hunt, a well known young man of this village. The ceremony was performed by the pastor of the First Presbyterian Church, Rev. Frank W. Hill, in the presence of only a few of the immediate friends. After the ceremony a reception was held and the wedding supper was served at the home of the bride's parents on West Main Street.

832. Pieter Van Kuykendall [43], son of **Leur Jacobsen Van Kuykendall** [11] and **Grietje Aertze Tack** [12], was born on 1 May 1698 in Rochester, Ulster County, New York, was christened ____-____-____ in _____, _____, _____, _____, died in ____-____-1799 in Port Jervis, Orange County, New York at age 101, and was buried ____-____-____ in _____, _____, _____, _____.

General Notes: When Peter was 2 years old his parents moved into the Minisink country to Machackemeck on the Delaware. In 1719 Peter married Femmetje Decker. Pieter owned a farm at Machackemeck, near the farm of his father-in-law. His place embraced the land comprising a large part of the present site of Port Jervis, N.Y. probably the valuable portion of the city. The land was originally purchased of a widow name Heleca Decker. she had bouth it from Josph Kirbride and Sarah Stevenson, of Bucks county, Pennsylvania.

Pieter Kuykendall's residence was located inside the present plat of Port Jervis, just at the edge of the first bench of above the "bottom." It was in this vicinity that Pieter was brought up from the time he was two years old. He he lived and died, and here lived also his son Peter, his grandson Elias and his great grandson Jacob. The place was in possession of the family for over one hundred and twenty-five years. It passed out of the family holding when Jacob sold it in 1840. Until within quite recent years, there was a barn upon the place that was built by Peter Kuykendall nearly one hundred years ago. At first the land was used exclusively for farming and stock raising. The old home place was covered with timber formerly, and had to be cleared before it could be farmed. As the country became more thickly settled, and there was more business and trade, there came a demand for better transportation facilities, then later, the Delaware and Hudson Canal was built, and there spring up a demand for building places. The old Pieter Kuykendall farm was thn laid out into town lots and streets.

Where the first old log cabin stood, and where the stockyard and pens for pigs, cattle and horses had been, and where corn, wheat and tobacco had been raised, all was laid out into building lots. The Canal with its tow path, ran along, closly skirting the base of the elevated knob, called "Point Peter," hugging the bluff, as it swept up the valley beyond the town plat. Lots were sold, new buildings began to cover over that part of the farm. Soon everything was entirely changed, and if today, old Pieter or any of his children could come back, they would not ecognize their old home. Looking at it today, on would hardly suppose that where there are lawns, dwellings and business houses, there had been a field and pastures, with haystacks, and that still earlier, there was a deep dark forest inhabited by wolves, bears and Lynxes.

It was around in this immediate neightbhood that a large number of the early descendants of old Pieer settled, raised families and died. Out from here there swarmed many of thos whose descendants are now found in all part of the country, from ocean to ocean.

It is quite likely that the first building erected at Machackemeck (now Port Jervis, N.Y.) was built at Carpenter's Point, or near there, but is is quite probable that the tavern kept by elder Pieter, and afterwards by his son Peter, was at the old home. This "Kuykendalls's Tavern" was probably the first in that part of the country. It was mentioned in old accounts as early as 761.

The Elder Pieter Kuykendal with his wife, Femmetje lived on the place they first bought until they died, and all their children were born there.

Pieter, was the first Justice of the Peace in the country there, of which there is any record. Here he conducted a farm, ran a tavern and was a prominent member of the Dutch Reformed Church, in which he was an elder and officer for many years. His family grew up and stood high in the community, and as his sons and daughters came to maturity they took an active epart in business and society, and were members of the of their father.

1858 - History of Deerpark

"It is now a few years over a century since the fall of the deepest snow ever known in this part of the country, and before it fell, Pieter Kuykendall and wife went to Esopus and left their children at home, where John Decker and his wife were to go daily and see them and render such assistance as would be necessary. Two or three days after they started this snow fell, and the morning after its falling. John Decker commenced to shovel and make a foot path through the snow to kuykendall's house. He worked all that day and the greatest part of the next, before he got to it, and found the door shut, so that the children could not get out of the house. The door opened to the outside, and the snow laid so deep against it that it could not be opened from the inside, before the snow was removed.

It is sprobable that they first settled as near to each other as the situations of ground and water would admit. No virtuals had been prepared for the children on the previous day, to serve them the next.

They contrived to get meal, mix it up with water, bak it some, on the hearth before th fire, and lived on it until otherwise provided for."

1664. Leur Jacobsen Van Kuykendall [11], son of **Jacob Leursen Van Kuykendall** [3] and **Styntie Douwes** [4], was born on 29 May 1650 in Albany, New Amsterdam, New Netherlands, was christened ____-____-____ in _____, _____, _____, died after ____-____-1720 in Machackemeck, Orange County, New York, and was buried ____-____-____ in _____, _____, _____.

General Notes: There is little room to doubt that Leur grew up from early youth in the Esopus County, (the region about Kingston), and, as he married there and lived there, it is most likely that his mother, after the death of his father, moved from Fort Orange to Rochester, (now Accord), soon after she was left a widow.

At about the age of thirty, he married in the year 1680, at Kingston, the daughter of a Hollander who lived in Esopus. Leur and his wife continued to reside in the vicinity of Rochester, until about the year 1700. During this interval they had seven children, all of whom were baptized at Kingston. At the time of their removal, Leur, father of the family, was about fifty years old. He had lived in that vicinity for probably forty years. . . We have here the beginning of the family Kuykendall on the western continent, now moving from Esopus, then one of the oldest and most thickly settled communities on the Hudson river, going to the Minisink country, then a far out frontier. Quite likely the fertile soil, beautiful country and fine hunting and fishing opportunities had some influence in inducing the move.

In Minisink, Leur Jacobsen adopted a toponym - church records of 1706 list "Luur Jacobsen van Kuykendaal". Early Dutch Genealogist explained the name to mean "vankijk-in-t'dal", translated "from view of the valley" i.e.; From Wageningen over looking the Rhine valley. Adopting to toponym (place of origin) in America to supplement or replace their Dutch patronym (son of) was not uncommon. The surname is not found previously in Europe, but strictly of American origin.

After the marriage of Pieter's father to Grietje Tack, they settled near Kingston and lived there for about twenty years afterwards. They then moved over into the Minisink country to Machackemeck on the Delaware. That was about the year 1700, when Pieter was about two years. That region was at that time very far out in the frontier. Settlements were sparse and the people lived in primitive manner.

At Esopus, where they had previously lived, by far the greater part of the people were Hollanders. Their language, customs and ways were decidedly Dutch. Nearly all the early settlers at Minisink, the neighbors of the Kuykendall family, had also come from the Dutch Settlement at Esopus, travelling along the line of the old mine road, which followed the earlier Indian trails.

There was an indefinite period of several years of the beginning of the eighteenth century, of which we have but scant history of what was transpiring in the country of our forefathers. The Dutch were a quiet, industrious people, very busy clearing up farms and making homes. They were so busy that they had little time for writing history. The lives of our forefathers in those times were not marked by many history-making events. When the Kuykendall family moved from their old home on the Hudson, near Kingston, the whole number of settlers there was very few. We do not know the exact locality of the home of Leur Jacobsen Van Kuykendaal, during the first years of the family's residence at Minisink. With a large family of healthy, vigorous children, with voracious appetites, used to living and working out in the open air, it probably kept them busy and hustling to procure food and clothing.
